Mr. T. J. M. Sheehy.

Dear Tom,

Enclosed find a copy of what appeared in the "Economist" on the I.R.A. activities. I apologise for the delay but I had some difficulty in finding out the exact date and then getting a copy. I await with interest the result of your efforts to recruit members by door-to-door visiting. Let me know if you want any help about it at any time.

By the way has McSwiney been in touch with you at all about getting some names for the Hackney district?

All the best.

Yours sincerely,

Organising Secretary of the
Anti-Partition of Ireland League.
